

The Nansha Bridges

The Nansha Bridges are two suspension bridges located in Guangdong, China, spanning the Pearl River. It is also the beginning of the Guangzhou–Longchuan Expressway. The bridge is an important part of the Pearl River Delta expressway network, connecting the Shatian Town in Dongguan to Nansha District in Guangzhou, as well as the Guangzhou Ring Expressway and the Guangshen Yanjiang Expressway. While it was under construction it was due to be named the Humen Second.
